

# Will's Pirate Hat

## What you will need:

- Printed template
- Black paper
- Stapler
- Clear Tape
- Glue
- Pencil
- Scissors

## Steps:

1. Print the template and cut it out.\*
2. Trace the hat template and cut it out. Make two of these. \*
3. Glue the skull and bones into your pirate hat.
4. Overlap two strips and staple it. \*
5. Make a ring and staple both end of strip. \*
6. Glue hat patterns on the front & back of the ring.
7. Add clear tape to cover staple wires inside the hat. Well done, Pirate!

\* Remember to get an adult to help you out with scissors and stapler
